A good attendance would be appreciated, we will not have the Cadets availble due to it being a school day.

Snowball & Jag the Joker

Congratulations to Phyllis Browne on her winning the Snowball a couple of weeks ago, she is now \$220.00 better off.

The Snowball currently stands at \$70.00; this is a member only draw, to collect you must be there and have your membership card with you.

Drawn every Thursday and Friday night after the Ode.

Jag the Joker is currently standing at \$527.00; this is a raffle and costs \$2.00 a ticket, it is drawn every Friday night. If your number comes up, you get a chance to turn the card on the board. If you turn over the Joker, you get the pool.

Kitchen & Bar

We are still in need of help in the both areas, we desperately need committed help on the 2nd and 3rd Friday of each month in the kitchen, the work involves setting the tables at the start of the

evening, washing and sterilising dishes and general help for the cook in keeping the place clean and workable.

We need help in the bar, the work involves normal bar service and cleaning of area and glasses. A knowledge of the liquor laws would be an advantage and the club are prepared to pay for you to attend an LCQ course if you wish to do it.

Rugby World Cup Quarter Finals Week

We have invested in an overhead projector and large 125" screen. We are streaming the all the games. The following is the schedule for this weekend:

- Saturday 19th October 1930: England v Australia
- Saturday 19th October 2230: New Zealand v Ireland
- Sunday 20th October 1930: Wales v France
- Sunday 20th October 2230: Japan v South Africa

These games all promise to be great exciting entertainment, the clubrooms and bar will open 30 minutes prior to the first game each evening and the bar will close on the completion of the last game or at the bar persons discretion.

Presentation of Awards

Last month the Northern District Ladies Section held their AGM at Hakaru, during this Lena Carlton was presented with her Long Service Badge for her 10 years' service to the Ladies Section. A big BZ to Lena, it's not easy to be as committed as she is.
